Greetings everyone. Just a few notes here from the post. First thing is that we are holding nominations for officers for the upcoming year. The flags are in for the cemetery and they will be in by May 1st. The summer dart league is coming soon and when the date are set we will let you know on our Facebook page and our website. The cottage sign-up sheet will be available next month at the May veterans meeting. That is about all for now so enjoy the warm Spring weather. Again, never forget the brave men and women serving this great nation for the *Freedom*s that we enjoy. For God and country.

Sr. Vice Commander, Bob Gaillard

Adjutant, Randy Robinson

Hello ladies and gentleman as we head into the Christmas holiday season and the new year lets look around us and be thankful for everything we have and the bonds we have made with each other and truly be thankful.

We have a lot of events going on at the post please check us out in your travels this holiday season, thanks.

Thank you to all of our members that have paid your dues we still have about thirty members that have not paid to date and remember the cards have been out since July 1st, 2013 so please let the post know if you are having a hard time paying or any other issue and we will see what we can do for you. I wanted to thank all of our members that make a difference in this world, for God and Country- Randy
