Greetings everyone. Well February is here and the cold weather along with it. There will be some great fun this month starting with our monthly breakfast and our annual Super Bowl game festivities and on the 8th will be the VFW/American Legion Bowling Scholarship Fund at Chippewa Bowling lanes. Our last winter breakfast will be in March and if you have not attended one of our breakfasts, you sure are missing some good food.

The Super Bowl parties are one of kind and I encourage all to attend. The dart leagues are coming down to the wire for trips to Vegas so good luck to all of the teams. Please remember to check us out on Facebook to get all of Post activities and special events. So until next month, stay warm. Spring is on it's way, and remember all of our brave men and women serving this great country we live in. For God and country.

Sr. Vice Commander, Bob Gaillard
