Greetings everyone the month of May is here and the weather is getting warmer. Just a few things to pass along. First one is the Memorial Day parade. It is important that we all get out to show support for all of our veterans past, present and let the community know that we are here. Second, the summer dart league dates have not yet been set so when they are we will post them on our website and Facebook account. Finally, the cottage rental dates will be out Monday the 12th so get down and get your week now.

Once again, I would like to thank all of the great volunteers we have here at the post. Without them who knows. Always remember the brave men and women fighting for our Freedoms. For God and country.
